Description:

Modern design and architecture combined in this luxury residential complex consists of 44 luxury apartments, consisting of two bedrooms and two bathrooms and a spacious living room combined with the kitchen. The apartments are located in buildings with four apartments. On the ground floor apartments have their own garden 54 m², with natural grass. Apartments on the second floor have a Solarium of 79 m² (highway with panoramic views located on a specially reinforced roof of the building). All apartments have a Parking space for a vehicle with motorized door, access to the relaxation area with a swimming pool. The complex is designed to maximize the pleasure of life near the Mediterranean sea. The complex is located between Finestrat and Benidorm, which makes it very convenient access to all necessary communications, shopping centers, shops, bars, restaurants, etc. Our company will offer You a big selection of luxury properties. Free recruitment and screening objects! We guarantee direct prices from developers for our clients!
